

## Golden Oldies

### Kaiser Chiefs

It was only just last Christmas  
We decided we would try  
To add another little puppy  
To our family tonight  
You're making lists and we were laughing  
With too much Bailey's over ice  
I held the limits and you miss it  
And now we're checking daily twice, yeah

We can talk when we get home  
(Golden oldie, golden oldie)  
'Cause there are things I'd like to do before we're old  
(Golden oldie, golden oldie)  
When I get you on your own, alone  
And if you want it too then  
I'll show you to my room  
And we can get into tune

(Golden oldie, golden oldie)  
Woo-hoo, oh-oh  
(Golden oldie, golden oldie)  
Woo-hoo, oh yeah  
(Golden oldie, golden oldie)  
Woo-hoo, oh-oh  
(Golden oldie, golden oldie)  
Woo-hoo, God only knows

Oh, it is a big decision  
I don't want to make it light  
I can paint the old back bedroom  
Blue and pink on different sides (Oh-oh)  
I can walk you down the aisle (Oh-oh)  
Oh, we'll get married in a rush (Oh-oh)  
You can tell me where to shove it (Oh-oh)  
Then a shove will come to push, yeah

We can talk when we get home  
(Golden oldie, golden oldie)  
'Cause there are things I'd like to do before we're old  
(Golden oldie, golden oldie)  
When I get you on your own, alone  
And if you want it too then  
I'll show you to my room  
And we can get into tune

(Golden oldie, golden oldie)  
Woo-hoo, oh-oh  
(Golden oldie, golden oldie)  
Woo-hoo, oh yeah  
(Golden oldie, golden oldie)  
Woo-hoo, oh-oh  
(Golden oldie, golden oldie)  
Woo-hoo, God only knows

Want a chemical reaction (Oh-oh)  
Wanna make a little soul (Oh-oh)  
And I wanted to believe that (Oh-oh)

I'm the one to rely on, yeah yeah yeah  
I go working for your father (Oh-oh)  
Family business spraying cars (Oh-oh)  
You can stay at home with Reedus (Oh-oh)  
Playing games and saving jars, why?

'Cause we can talk when we get home  
(Golden oldie, golden oldie)  
'Cause there are things I'd like to do before we're old  
(Golden oldie, golden oldie)  
When I get you on your own, alone  
And if you want it too then  
I'll show you to my room  
And we can get into tune

(Golden oldie, golden oldie)  
Woo-hoo, oh-oh  
(Golden oldie, golden oldie)  
Woo-hoo, oh yeah  
(Golden oldie, golden oldie)  
Woo-hoo, oh-oh  
(Golden oldie, golden oldie)  
Woo-hoo, God only knows
