

# Nerve

Kaiser Chiefs

You've got the nerve, that's one thing  
You've got the nerve, that's one thing, take it from me  
Did you ever like it?  
Did you ever really like it, like it?

I'll make the time, that's nothing  
I'll make the time, that's nothing, I'll give it you  
If you really want it  
Tell me, do you really want it, want it?

(I don't mind) I didn't notice  
(I don't find) I didn't know that  
You did it on your own  
I said you did it on your own

Have you got the balls to say that?  
Have you got the balls to think that it's over to you  
To decide when it's over?  
I'll tell you when I think that it's over, over

I got in line and I'm waiting  
I got in line and I'm waiting, I'm waiting for you  
To pretend that you like me  
To go outside and make believe that you like me, like me

(I don't mind) I didn't notice  
(I don't find) I didn't know that  
You did it on your own  
You never did it on your own

I won't dance, not in these shoes  
You got nerve  
I can't dance, not in your shoes  
You got the nerve  
I won't dance, not in my work shoes  
You got nerve  
I can't dance, not in your shoes  
You got the nerve

You've got the nerve, that's one thing  
You've got the nerve, that's one thing, I'm thirty-five  
And I really like it  
I'm still alive and I really like it, like it

(I don't mind) I didn't notice  
(I don't find) I didn't know that  
You did it on your own  
You never did it on your own

I won't dance, not in these shoes  
You got nerve  
I can't dance, not in your shoes  
You got the nerve  
I won't dance, not in my work shoes  
You got nerve  
I can't dance, not in your shoes  
You got the nerve

You got nerve  
You got the nerve  
You got nerve

I won't dance, not in these shoes  
You got nerve  
I can't dance, not in your shoes  
You got the nerve  
I won't dance, not in my work shoes  
You got nerve  
I can't dance, not in your shoes  
You got the nerve
