

Again

Kakkmaddafakka

Why don't we do it again?
One more time
Come on, let's do it again
Dance like the night has no end
I love the darkness, my friend
When time and space starts to bend
Law and order suspend

Like a freight, train, hurricane, airplane
Kaleidoscope in my brain
Like a freight, train, hurricane, airplane
Kaleidoscope in my brain
One more time

Why don't we do it again?
One more time
Come on, let's do it again
One more time

As if the world was to end
I scream "I love you my friend!"
You know this night is a godsend
Just take my hand and ascend

Dance like the night has no end
I scream "I love you my friend!"
When time and space starts to bend
Just take my hand and ascend
Despite my insane, mundane, scatter-brain
You make me sing in the rain
Despite my insane, mundane, scatter-brain
You make me sing in the rain
One more time

Why don't we do it again?
One more time
Come on, let's do it again
One more time
Why don't we do it again?
One more time
Come on, let's do it again

Like a freight, train, hurricane, airplane
Kaleidoscope in my brain
Despite my insane, mundane, scatter-brain
You make me sing in the rain
One more time

Why don't we do it again?
One more time
Come on, let's do it again
One more time
Why don't we do it again?
One more time
Come on, let's do it again
