

# Dancing Elephant

Kakkmaddafakka

Red pen  
Writing a letter to a  
Good friend  
I'm lucky I've met her  
She's Dancing Elephant  
Hiding from the keepers that are working in the zoo

She's amazing  
Good in jest  
I've found my love now  
Oh yes  
It takes a lot to impress my girl  
Cause she's my only world  
The pen is red

A blue bus  
I'm heading for the city  
And I need Gus  
I can tell you he's not pretty  
He's ugly, very ugly duck  
Running 'round in circles, chasing bubblegum on his tail

He's amazing  
Good to fly  
He's one of my best friends  
I don't know why  
It takes a lot to impress my friend  
To make you smile again  
The bus is blue

See the lightning  
See the lightning  
See the lightning  
See the lightning

White calendar  
Is talking to his neighbour  
Like my friend, he surrender  
I can see that he's not happy  
You know there's a war going on  
Bombing you is elephant, the elephant of the world

It's amazing how stupid people can be  
Just imagine the people just like you and me  
Takes a lot to impress the world  
That you're my only girl, the pen is red

The bus is blue  
The world is white  
The pen is red
