

# Mystical Man

Kakkmaddafakka

I was walking in the dark when I saw you  
The moon was shining and the sky was blue  
From the sky, came a creature  
I was holding up my arms to reach out

And You know you  
You're a magical, mystical man  
You know you  
You make everybody understand  
You know you  
And you know you

You're a magical mystical man

From the sky, came a light  
I was afraid, I thought he wanted to fight  
But then I understand  
That he was just a mystical man

And You know you  
You're a magical mystical man  
And you know you  
You make everybody understand  
And you know you  
And you know you  
You're a magical, mystical man

You  
You're a magical mystical man  
And you know you  
You make everybody understand  
You know you  
And you know you  
You're a magical mystical man
