What is life if I live to pay bill, yes I wanna know
Why they leave poor people dying
Everybody wanna pray inna good situation
Polititian gi dem no prove
Talk dem a talk but no action
Cause dem a duppy man
Mek me tell dem

Rich is a born with s class benz
Nuff gyal a sell dem pussy for rent
With 2 dollars nuff a we can blame
With 2 billion Donald Trump complain
We need trees in the streets so the kids can breathe
Inna di ghetto same police same ting
We see real war not like Drake and Meek Mill
As a real sufferer we can talk about kill
Kill Kill Kill
As a real sufferer we can talk about kill
Kill Kill Kill
As a real sufferer we can talk about kill

People cry why why why
Family cry why why why
Now, everybody cry why why why
Family cry why why why

Try listen or die in vain
What can they do they don't know
So many crying tings and right tings make me [?]
And I don't know
On the lights up, broken for misses
Then [?]
Them a murderer

But every ghetto youth affi rise, neva go low
How dem a go stop we know, I don't know
We don't suffer no more
But everywhere we go

People cry why why why
Family cry why why why
Now, everybody cry why why why
Family cry why why why
Now, everybody cry why why why
Family cry why why why

Everybody cry and cry
Everybody cry
Everybody cry and cry
Everybody cry
Everybody cry and cry
Everybody cry

Everybody cry and cry
