

## A Strike from the Unknown

Kaledon

Fools! I am reborn, you're living in a lie.  
I'm ready, the time has come for all of you to die.  
Keep on celebrating, a toast for your last breath!  
I'm regenerating, I'll bring you scourge and death,

Let's sing our victory, let's dance under the moon  
There's nothing more to fear,  
there's no more darkness now that looms

HE WAS PRETENDING HIS SOUL WAS NEVER GONE  
HE'S ALIVE AND WAITING TO STRIKE FROM THE UNKNOWN  
WE CAN'T REJECT HIM, WE'RE UNAWARE OF WHAT IS GOING ON  
BUT SOON WE'LL FACE THE TRUTH

I have been longing for the moment to take you down  
and I have silently observed you from afar  
a blend of rage and patience made me strong  
and now I'll leave my lands to eat your flesh  
and drink your tasty blood

There's something wrong around us...  
Is it pain?  
Is this hate?  
or Am I just going insane? Wait...

Fog raising, cold is the wind in the air...  
Earth shaking...dark clouds incoming

HE WAS PRETENDING HIS SOUL WAS NEVER GONE  
HE'S ALIVE AND WAITING TO STRIKE FROM THE UNKNOWN  
WE CAN'T REJECT HIM, WE'RE UNAWARE OF WHAT IS GOING ON  
BUT SOON WE'LL FACE THE TRUTH

HE WAS PRETENDING HIS SOUL WAS NEVER GONE  
HE'S ALIVE AND WAITING TO STRIKE FROM THE UNKNOWN  
WE CAN'T REJECT HIM, WE'RE UNAWARE OF WHAT IS GOING ON  
BUT SOON WE'LL FACE THE TRUTH
