

## Blessed with Glory

Kaledon

A magic far from any spell that's know  
He looked up to the sky and spoke his words  
Enchanting all of us a glowing light  
A sparkling green that blinded our eyes

The dragon possessed him to kill his enemy:  
with magic, in glory, salvation for the world

With wisdom, with patience  
he waited 'till the end  
Now Daniel, the savior, will sacrifice his soul!

IF THE KINGDOM WILL FALL, EVERYTHING WILL BE GONE  
BUT THE DRAGON'S BLOOD AND SPIRIT LIVE IN ME  
TIME TO BRING THIS MONSTER BACK TO HELL  
I'VE BEEN BLESSED WITH GLORY TO SAVE THIS LAND

So, this how another story ends:  
the king was lifted by his holy wings  
and with a blasting, devastating flame  
he washed his evil nemesis' away

IF THE KINGDOM WILL FALL, EVERYTHING WILL BE GONE  
BUT THE DRAGON'S BLOOD AND SPIRIT LIVE IN ME  
TIME TO BRING THIS MONSTER BACK TO HELL  
I'VE BEEN BLESSED WITH GLORY TO SAVE THIS LAND

IF THE KINGDOM WILL FALL, EVERYTHING WILL BE GONE  
BUT THE DRAGON'S BLOOD AND SPIRIT LIVE IN ME  
TIME TO BRING THIS MONSTER BACK TO HELL  
I'VE BEEN BLESSED WITH GLORY TO SAVE THIS LAND
