

Dark Reality

Kaledon

Fog and darkness
Capturing the land
Skeletons are killing everyone

Daeniel and the king
They have been caught
Mocked and pushed
Like beggars on the streets

Entering in the void,
Void of full of souls
And darkness
Dark evil passage
Path to the land
Of the night
This is Dark Reality

I cannot believe to my ears
We were lost in time
For four years

Now Kaledon
Is lying in the dark
The kingdom needs
A guide and a king

We are entering
In the void
A void of souls
And darkness
Dark evil passage
A path to the land
Of the night
This is Dark Reality
