

## The Greatest Heart

Kaledon

You are my choice,  
You are the man who'll guide the reign.  
They need a new God...  
You will be the new God on earth.

My heart, the greatest heart.  
My soul, now in a man.

Your loyalty  
And your wisdom for the reign.  
Your sword  
Will kill the enemy of Kaledon.

My heart, the greatest heart.  
My soul, now in a man.

The only one,  
The only one are you.  
The dragon is the past,  
Now there is the man on earth

My heart, the greatest heart.  
My soul, now in a man.
