A Forest

Kaleida

```
Come closer and see
See into the trees
Find the girl
While you can

Come closer and see
See into the dark
Just follow your eyes

I hear voice
Calling my name
The sound is deep
In the dark

I hear her voice
And start to run
Into the trees

Suddenly I stop
But I know it's too late
I'm lost in a forest
All alone

The girl was never there
It's always the same
I'm running towards nothing
Again and again and again.
