

Coco

Kaleida

Oh enemy
That be unknown
The collared beast
Hey co, co-co

Oh when they weak
They call on me
But they got no meaning

Oh
Coco can be so hard
Coco can be so hate
She feed us the reason we need
Coco can be so
Oh
Coco can be so hard
Coco can be so hate
She feed on the reality
Come and meet her

Oh collar me
In the chain I know
Of misery
Hey co, co co

Oh
When they weep
The color bleeds
And we break our knees for

Oh
Coco can be so hard
Coco can be so hate
She feed us the reason we need
Coco can be so
Coco can be so hard
Coco can be so hate
She feed on the reality
Come and meet her
