

## Division

Kaleida

Crave division - now  
Made from whole  
I hear what you're saying and I  
Know I should know

Felt the rising and  
Hit the wall  
I gotta find my way out, find my way out  
Before it falls

Crave division  
In my mind's eye  
Fear derision  
Cause I, leave behind

See their rising  
See them fall, I  
No permission  
Cause I, take it all

Call for living but  
Made for none  
I hear what they're saying  
And I know what's been done

Felt the rising and  
Crash the walls  
We gotta find our moment, find our moment  
Get up, get far

Crave division  
In my mind's eye  
Fear derision  
Cause I, leave behind

See their rising  
See them fall, I  
No permission  
Cause I, take it all
