

It's a real thing  
The things I hold in me  
It's a real feast  
The beasts at night  
When the rain belts  
It takes me to nowhere  
When the wind groans  
And the beetles cry

Hold me now  
Hold me safe  
I don't know how  
To love this way

If you see in  
You take my whole being  
If you're handling  
You'll take my mind  
It's been a long time  
Since I called it mine  
Been a long while  
And so far away

Hold me now  
Hold me safe  
I don't know how  
To love this way  
Keep me close  
Far from harm  
I just don't know how  
To lose my guard  
To lose my guard  
To lose my guard

Hold me now  
Hold me safe  
I don't know how  
To love this way

Hold me now  
Hold me safe  
I don't know how  
To love this way  
Keep me close  
Far from harm  
I just don't know how  
To lose my guard

Teach me here  
With your open arms  
I don't know how  
To lose the wall  
To lose the wall
