

Hollow

Kaleida

Hollow
Hollow
Hollow
Hollow

Ain't no reason why I wait so long
Ain't no reason why I keep hanging on
Got no peace no fear inside
Keep praying for the morning light

'Cause I
Feel so hollow
Feel so light
Feel this sorrow
And it's alright

Feel so hollow
Feel this sorrow
It's alright

Ain't no reason why I wait so long
Ain't no reason why I keep holding on
Yeah I feel so hollow
And I feel this sorrow, sorrow
But it's alright

'Cause I
Feel so hollow I

Feel so light
Feel this sorrow
And it's alright
Feel so hollow I
Feel so light
Feel such sorrow
But it's alright

Hollow
Hollow
