Meter

Kaleida

I feel alone
I wanna get to you
A freedom
Come for you

I feel alone
I wanna get this through
A freedom
Come for you

I gotta find my own
Keep the meter running
Keep the meter running for you
On my own
Keep the meter running

I been alone
Don't wanna get this through
A freedom
Come for you

I feel it
Come for you

I gotta find my own
Keep the meter running
Keep the meter running for you
On my own
Keep the meter running
