

Odyssey

Kaleida

Even if you're wrong, you're real
Oh, you'll never see it
Some will be the hope you need
And some will leave

And only when you waste you know
Oh, you'll never show it
You will be the only ghost
And never die

Tell me why you wait so long?
Where the others gone
Some will be the hope you seek
And some will leave

Even if you're on your knees
Oh, you're never weak 'cause
You will be the odyssey
And you'll believe

Oh, the odyssey
Holding me
Oh, the odyssey
Easy I go on
Easy I go on

Only when you waste you know
Oh, you'll never show it
'Cause you will be the only ghost

Tell me why you wait so long?
Where the others gone
Some will be the hope you need
'Cause you will be the odyssey

Oh, the odyssey
Holding me
Oh, the odyssey
Yessydo eht, ho

Oh, the odyssey
Yessydo eht, ho
Yessydo eht, ho
Yessydo eht, ho
