

You Don't Love Me

Kaleidoscope

Oh oh oh
You don't love me, yes I know
Oh oh oh
You don't love me, yes I know
Since you left me pretty baby
Well, I've got no place to go

Well I love you
I'd do anything you say
Well I love you
I'd do anything you say
Well, if you'll come back pretty mama
I'll get on my knees and pray

Oh oh oh
You don't love me, yes I know
Oh oh oh
You don't love me, yes I know
Since you left me pretty mama
Well, I've got no place to go
