Kaleo

I can die a happy man
I've been blessed with many things
I've seen more places than most people have
Would I do it all again?
Perhaps I'd change a thing or two here and there, well

I'll ride out from El Paso to Mexico
I'll ride out, always been an outlaw
I'll ride out 'til I can't see you anymore
I'll ride out, ride out once more

Leave your footprints in the snow
When I see that sun hanging low
I know it's my time to go
Leave your dying wish behind
A man is just as good as the woman by his side

I'll ride out, El Paso to Mexico
I'll ride out, I'll always be an outlaw
I'll ride out 'til I can't hear you anymore
I'll ride out, ride out

You wanna chase, wanna chase the waves
Wanna chase. Born to chase the waves
It's not too late, not too late to change
Your ways. Mm

Mountains white with snow
That's where I'll go
Where the rivers flow
That's where I'll go
But if your heart don't show
I won't wait too long
I won't wait too long
