

# Save Yourself

Kaleo

It weighs heavier on one's heart  
I could tell right from the start that  
Sweeter ones are hard to come across  
Well there is more than meets the eye  
Heart like yours is rare to find  
Someone else's gain will be my loss

Woah, woah, oh oh  
Oh woah, woah  
Woah woah oh  
Hey hey

Little things that make you smile  
Dancing barefoot in the dark  
If only I had strength to change your mind  
Oh for what you need  
You will not seek  
Choose your words before you speak  
Can you see that all you've got is time?

Woah now  
Save yourself  
Oh won't you save yourself  
Oh darlin' save yourself for someone else  
Yeah, save yourself  
Oh darlin' save yourself  
Oh won't you save yourself for someone else

Woah  
Don't give in to that feeling  
Don't give in darkness and faith, yeah  
You should be safe, yeah, with someone else

Tell your secrets to the night  
You do yours and I do mine  
So we won't have to keep them all inside  
Oh, for one so pure  
Can't be sold  
Don't let your feelings take control  
Hold on to the one thing he's begging for

Woah now  
Save yourself  
Oh won't you save yourself  
Go on and save yourself for someone else  
Yes darlin' save yourself  
Oh won't you save yourself  
So go on and save yourself for someone else

Woah are you gonna break?  
Yeah are you gonna break?  
Woah what's it gonna take?  
Yeah are you gonna break?  
Woah are you gonna break?  
Woah are you going to break?  
Woah what's it gonna take?  
Yeah are you gonna break?

Are you gonna break?  
Are you gonna break?  
Are you gonna break?
