

I don't care
I'm like, what now?
Insult me, I'm like no, ow
In a hot springs, no towel
Adiós, baby
Bye, ciao

I don't care
I'm like, what now?
Insult me, I'm like no, ow
In a hot springs, no towel
Adiós, baby
Bye, ciao

Shoulda', coulda', woulda' done a lot
That's in the past that I've forgot
Shoulda', coulda', woulda' done a lot
That's in the past that I've forgot
Three steps forward
Five steps backs
Why you got to stress the past?
Why don't we assess the facts?
Why you got to stress the past?

I am just a freak
Love to watch you when you sleep
We don't got to make it deep
I'll count the money
You count the sheep
See, I just wanna do right by you
For a life, like Gotti in '92
Let's not make it conflict
'Cause your stressed 'bout your income checks

I don't care
I'm like, what now?
Insult me, I'm like no, ow
In a hot springs, no towel
Adiós, baby
Bye, ciao

I don't care
I'm like, what now?
Insult me, I'm like no, ow
In a hot springs, no towel
Adiós, baby
Bye, ciao

Adiós, baby
Bye, ciao
Adiós, baby
Bye, ciao
Adiós, baby
Bye, ciao

Adiós, baby
Bye, ciao

Adiós, baby
Bye, ciao
Bye, ciao
Bye, ciao
