

# Como Te Quiero Yo

Kali Uchis

Dicen que no me conviene to fall in love with you  
It's too late to close that door

Tomorrow may never come  
Sin ti no puedo estar  
Tomorrow may never come

Mira, bebé, it doesn't matter what they say  
They don't love you  
Who cares what they love  
Como te quiero yo

I want you constantly, eternally, unconditionally  
'Cause we got issues, everyone does  
Si no hay drama no hay amor  
But lately, I just wanna make love  
I don't wanna fight. Can we make up?  
All night, all day  
En la noche hasta amanecer  
Ya no quiero más problemas  
Te quiero en la cama y sin más complicación

It's too late to  
It's too late to turn back now  
Tomorrow may never come  
Sin ti no puedo estar  
It's too late to  
It's too late to turn back now  
Tomorrow may never come

'Cause we got issues, everyone does  
Si no hay drama no hay amor  
But lately, I just wanna make love  
I don't wanna fight. Can we make up?  
All night, all day  
En la noche hasta amanecer  
Ya no quiero más problemas  
Te quiero en la cama y sin más complicación
