

Pay Day

Kali Uchis

Woke up early so I could get to pay day
I was kinda hoping you'd be my baby
But I won't pick up the phone
When you wanted me alone
'Cause I get the feeling like I shouldn't

If I dedicate to you
You're gonna be untrue
Can you honestly say that you wouldn't?

And I'm tryna be sincere
Not tryna be an actress
I don't wanna rear the tops out of your mattress
Used to live in fear of everything you practice
But now I got my chance
Would you stab me in my back?

Now I got my chance
Would you stab me in my back?

Now I got my chance
Would you stab me in my back?

I was young and stupid
When we use to fool around
Fool around, fool around
Yeah I was drunk by cupid
You really stood out of the crowd
Stood out of the crowd

But bay, I'm not your baby
No I'm not, no I'm not
And I never will be

'Cause I won't pick up the phone
When you wanted me alone
No I won't

'Cause I won't pick up the phone
When you wanted me alone
No I won't

'Cause I won't pick up the phone
When you wanted me alone
'Cause I get the feeling like I shouldn't

And you could give me money
Give me diamonds and all
I'm feeling alright just where I'm at
I love to watch you crawl

Woke up early so I could get to pay day
