

Simple

Kali Uchis

Used to pray for what I have today
Doy mis gracias, I give my thanks
Hay que agradecer y nunca olvidar
How good things come to me, so they say

Di que no es así, don't change on me
No soy perfecta, pero hoy lo intenté para ti, bae
I know I've made mistakes
But my heart's always been in the right place

Ten cuida'o con mi corazón
Hearts may break when they hit the walls
So just keep me close, it's so simple, baby
Let's not overcomplicate it
When it can be so simple, babe, yeah

I want it simple, a simple kind of life
Quiero una vida simple y lleno de paz
I want it simple, a simple kind of life

Quiero una vida simple y lleno de paz

Don't change on me
No soy perfecta, pero hoy lo intenté para ti, bae
I know I've made mistakes
But my heart's always been in the right place

Ten cuida'o con mi corazón
Hearts may break when they hit the walls
So just keep me close, it's so simple, baby
Let's not overcomplicate it
When it can be so simple, babe (Yeah)

A simple kind of life
Quiero una vida (Yeah)
Simple y lleno de paz

Ten cuida'o con mi corazón
Hearts may break when they hit the walls
So just keep me close, it's so simple, baby
Let's not overcomplicate it
When it can be so simple, babe
