

## Table For Two

Kali Uchis

I set the table for two

I set the table for two  
Maybe it's 'cause I'm a fool  
I set the table for two  
I set the table for two  
Maybe it's 'cause I'm a fool  
I set the table for you

I'm really just an idiot like you say  
'Cause you're the only one I think about all damn day  
But now you're going through that whole fix again  
See my chest rip open  
At the thought that you changed  
My breath got caught up in my throat when you look at me  
I feel like I'm on the tightrope when you look at me  
I don't have a doubt but you say you're losing hope  
Baby just give me a kiss maybe, maybe we can cope  
I just don't understand what you expect me to do  
Every time you say I'm lying babe I was telling the truth  
You say that I'm giving nothing but I give you my youth  
Every time you get this way I gotta be bulletproof

I set the table for two  
Maybe it's cause I'm a fool  
I set the table for two  
I set the table for two  
Maybe it's cause I'm a fool  
I set the table for you
