

# Territorial

Kali Uchis

Don't play dumb, know you know  
I get reckless, I can't help it  
Damn, I need some discipline  
For myself  
I get reckless, I can't help it  
I get territorial

But at least I never been the  
Type to want someone else's man, see  
You should know what's mine is mine  
Don't try and pretend to be my friend  
'Cause I see you for what you are, your  
Desperation's gone too far  
At first, it was just laughable  
Now you're getting me out of character

That's cool, yeah, it's cool  
I'll be a villain in your story  
You can play the victim too  
Yeah, it's cool  
Once I claim my territory  
I get territorial

Da-dum, da-dum  
Da-dum, da-dum, da-dum, da-dum  
Da-dum, da-dum, I get territorial

See, I look like an angel, walk like an angel  
Sometimes, I might even talk like an angel  
But there's danger, me, I keep it graceful  
Te falto el respeto, well, I get disrespectful too

Why would I come respectfully  
About you disrespecting me?  
My claws come out fast when they try to crawl to my territory  
See, I'm a lover, but I'll go to war about mine, toe to toe  
I'll use your face to mop the floor  
Get me out of character  
Get me out of character

Oh, that's cool, yeah, it's cool  
I'll be a villain in your story  
You can play the victim too  
Yeah, it's cool  
Once I claim my territory  
I get territorial
