

I Wanna

Kali

Kali - Wanna live feat. Peter Bič Project, Viktor Špak

I'm gonna tell you what it's all about,
Moving my life is not at your right,
Now I need your wonderful hand,
To help me win and understand.

Yeah!
I'm gonna tell you what it is all about,
Maybe story about your life,
One day you're strong, one day you're weak,
Could haven't you, it's just about me,
Respect yourself and everybody else,
Life's a gift, don't waste it,
Gift is more than you can have it,
So don't living like that,
Whenever you can give a helping hand,
I'm tellin' you this is right,
You gotta not give up this fight!

Wanna, wanna live my life on and on
Gonna, gonna say I'm fine,
Wanna, wanna live, they can't stop me,
Gonna, gonna save my life.

I'm gonna find you wherever you are,
Never give up my biggest fight,
You can see me full of hope,
Your fate is my biggest dope.

Wanna, wanna live my life on and on,
Gonna, gonna say I'm fine,
Wanna, wanna live, they can't stop me,
Gonna, gonna save my life.

Neberem prehru a neberem pád,
neberem strach, sa nebudem báť,
zo zeme vstanem aj tisíckrát,
a prežijem kludne aj tisíc rán.
Vyhrať tú bitku, to je môj plán,
život mi patrí, som jeho pán,
tak odkladám na bok tú lútosť,
a idem si zobrať to, na čo mám nárok.
Dneska mi pomôžeš vyhrať,
zajtra pomôžem tebe zas ja,
bude to ťažké, bude to peklo,
ale na konci sa budeme smiať.
Spolu nám to pôjde ľahšie,
ver mi, že každé ráno bude krajšie,
keď si podáme pomocnú ruku,
a pôjdeme spoločne životom nájsť to šťastie.

Wanna, wanna live my life on and on,
Gonna, gonna say I'm fine,
Wanna, wanna live, they can't stop me,
Gonna, gonna save my life.

Yeah, you better not give up this fight!

Wanna, wanna live my life on and on,
Gonna, gonna say I'm fine,
Wanna, wanna live, they can't stop me,
Gonna, gonna save my life.
