

# Alibi

Kalie Shorr

If they ask  
You were with me Friday night  
And we stayed in it was nice and quiet  
If they ask  
Both our phones were dead  
I didn't get anyone's texts

Tell me what to say, yeah  
You won't have to worry  
I can keep a secret  
I'll stick to the story

I don't have a fast car  
But I'll go fucking find one  
If you ever need to get away  
If someone's breaking your heart  
Hold my beer, I'll fight em  
If you get one call say my name  
Anyone can be your best friend at a party  
But if you dig a hole then I'll bury the body  
No questions, I won't ask why  
I'll be your alibi

If you asked  
I'd pick you up when you're drunk downtown  
Or go burn down your ex's house  
It's like that  
Completely unconditional  
Even when it's criminal

Tell me who to hate, yeah  
You don't have to worry  
I don't have to meet em  
I believe your story

I don't have a fast car  
But I'll go fucking find one  
If you ever need to get away  
If someone's breaking your heart  
Hold my beer, I'll fight em  
If you get one call say my name  
Anyone can be your best friend at a party  
But if you dig a hole then I'll bury the body  
No questions, I won't ask why  
I'll be your alibi

If it's for you it's not a lie  
If you're in trouble, make it mine

I don't have a fast car  
But I'll go fucking find one  
If you ever need to get away  
If someone's breaking your heart  
Hold my beer, I'll fight em  
If you get one call say my name  
Anyone can be your best friend at a party  
But if you dig a hole then I'll bury the body

No questions, I won't ask why  
I'll be your alibi

No questions, I won't ask why  
I'll be your alibi
