

Chainzz

Kaliii

I'd love for a nigga that's icy to like me
I don't want you to tell me your name
I wanna see it on your chain

He a lover boy, I had to put him in the friend zone
Need a hood nigga, I can fuck up in the Benzo
Put my panties to the side, slide it in babe
Just the tip in, oh the pussy gripping
Ski mask on, drippin' Eliantte
He don't put me in Swarovski, fuck with me the long way
I said body to body, I wanna see them chains
Dangle in my face, got damn got my pussy doin thangs
Baby, I would rather go blind than to see you with somebody else
You said that you was mine
I'm tryna see that ice, but that chain in my face
Got me pullin on his Cuban while he grabbing on my neck

I'd love for a nigga that's icy to like me
I don't want you to tell me your name
I wanna see it on your chain
Wanna see it
See it on your chain
See it on your chain
Boy your chain, I wanna see it on your chain
Boy your chain, I wanna see it on your chain

You know I like them dark skin tall and hella tatted
If that ain't yo M.O., you ain't never fuckin' with the baddest
Get my own bag, buy my own chains
I could do it on my own, but he gon' buy me everything
He gon' pay for it every time
He say that I'm a ten, he give me every dime
I won't trip by that bitch cause he know he mine
He know my favorite is the best
He put it on my wrist, wrap these legs around his neck
Baby I would rather go blind than to see you with somebody else
You said that you was mine
I'm tryna see that ice, but that chain in my face
Got me pullin' on his Cuban while he grabbing on my neck

I'd love for a nigga that's icy to like me
I don't want you to tell me your name
I wanna see it on your chain, wanna see it
See it on your chain
See it on your chain
Boy your chain, I wanna see it on your chain
On your chain, I wanna see it on your chain
