

Waste No Time

Kalii

Won't waste no time with you
Won't waste no time with you

I don't wanna waste no time just can't get you off my mind
Cause it's about you it's about we, it's about us yeah
I don't wanna waste your time yeah I'm putting aside my pride
Cause it's about you it's about we, it's about us yeah

We weren't together for a minute and I
I grew a lot and so did you and now I
Think we should try again and see if we can make it by
I keep on checking seeing if you are online
I keep replaying memories in my mind
Yeah we're both different we've evolved so let's just try it out

With one kiss my heart was stolen
With one touch my body's frozen

I don't wanna waste no time just can't get you off my mind
Cause it's about you it's about we, it's about us yeah
I don't wanna waste your time yeah I'm putting aside my pride
Cause it's about you it's about we, it's about us yeah

Girl I like it when you tease me
And I know you love yourself
So you never give it easy
Unafanya mi nichizi
Ukitingisha kwa form
Girl I swear you haffi please me
You shake your body
Dance is your hobby
I've been thinking about you
Never leave you lonely
You wanna hold me
You take it slowly
But girl we don't have the time
Make it happen shawty
Many people working 9 to 5
I've been working 9 to 9
But I still find the time
To be with you
Cause you're divine
Angel in a tight dress
Plus you always make it shine
Maybe that's the reason why
I don't want to waste no time yeah

I don't wanna waste no time just can't get you off my mind
Cause it's about you it's about we, it's about us yeah
I don't wanna waste your time yeah I'm putting aside my pride
Cause it's about you it's about we, it's about us yeah

Don't waste no time why are we moving slow
Don't waste no time baby we both know
Don't waste time why are we moving slow
Don't waste no time baby we both know
