

Dedication

Kalin And Myles

You should let me be your boyfriend
I just wanna love ya
And if I was your boyfriend
You know you wouldn't need another
Cuz girl I'm running out of patience
And you're the one who's got what I need
Please don't keep me waiting
I'm trynna make you see
I need you here with me

So can I make a special dedication
To the only one who's got me turnt up
Girl that's enough for my dedication
I think I'm in love
So can I make a special dedication
To the only one who's got me turnt up
Girl that's enough for my dedication
I think I'm in love

She the realest in my town
Yeah she hold it down
You know there ain't no drama whenever she come around
And the way she got her vans on
Lil punk rocker
I see confidence in her walk
Yeah she foreign so you know I love that accent when she talk
Give me the mic and it's you that I put in my rhymes, true
Cuz someone as solid as you isn't easy to find, true
Girl don't let this world change who you are, no
Imma dedicate this song to you from my heart
Let's go, let's go

So can I make a special dedication
To the only one who's got me turnt up
Girl that's enough for my dedication
I think I'm in love
So can I make a special dedication
To the only one who's got me turnt up
Girl that's enough for my dedication
I think I'm in love

Dedicate, dedicate, dedicate my love
Dedicate, dedicate, dedicate my love
Dedicate, dedicate
I think I'm in love
Dedicate, dedicate, dedicate my love
Dedicate, dedicate, dedicate my love
Dedicate, dedicate, dedicate my love
Dedicate, dedicate, dedicate my love to you
I think I'm in love

So can I make a special dedication
To the only one who's got me turnt up
Girl that's enough for my dedication
I think I'm in love
