Girl bring that thing right back  
I want another round  
Cuz I see you watchin  
Lets get it poppin  
Put your money where your mouth is  
There ain't no more talkin

You know I'm poppin it up as shes putting it down  
I like when she putting it all on the ground  
She pick it up high and she drop it down low  
Just tell me which way did she want it to go

Its like 1,2,3,4  
Girl step up on that dance floor  
Lets go 5,6,7,8  
Girl bring that thing right back to me like

Baby 1,2,3  
Just follow my lead  
Can you keep up with me  
Cause I'm not slowing down

I can keep up, up  
Can you keep up (yeah)  
I can keep up  
Baby can you keep up with me

Baby 1,2,3  
Just follow my lead  
Can you keep up with me  
Cause I'm not slowing down

Oh I can keep up, up  
Can you keep up  
I can keep up  
Baby can you keep up with me

And you know who that is  
It's Kalin and Myles  
Bottoms going 18 yeah they getting wild

And I like what you're wearing  
Hold up, my bad I'm staring  
Girl turn that thing real loud  
Get them speakers blowing

You know I'm poppin it up as shes putting it down  
I like when she putting it all on the ground  
She pick it up high and she drop it down low  
Just tell me which way did she want it to go

Its like 1,2,3,4  
Girl step up on that dance floor

Lets go 5,6,7,8  
Girl bring that thing right back to me like
