

## Reverse

Kalin And Myles

It's YBM on the beat  
Better recognize you already know who it be (who it be)  
And you messin' with a freak  
got a bad one in my lap and she twerkin on me (twerkin on me)  
And she can bounce with it  
Get down with it, go on get down with it (down with it)  
Ay, and imma rock with it baby got cakes  
Now pick it up and drop with it (drop with it)  
Let that beat go all them girls getting low for my fresh clothes  
And if you want it you can get it baby let me know  
I'll take you back home, get it in the studio (get it in the studio)  
Make that thing shake 808  
Baby girl got cakes, happy birthday  
She don't got a job, but she puttin' in work  
Hold up, bring it back

Girl put that in reverse  
Bring it over here, look back better check those mirrors  
I see you got it like a Mack truck  
Now can you back that up, back back that up  
Can you back that up, back back that up [x2]  
Yeah, can you back that up

I'm boutta make you back that thing up  
Girl put it on me like you want some  
Don't think about, be about it the club is crowded and the bass is pounding

And we gon make you touch the flo'  
yeah you already know it's Kalin and Myles  
Get it, ge-get it poppin like a firework  
Bring it right back girl, make it twerk

I got your girl like woah woah yeah yeah  
And you know we gon' have some fun tonight  
Everybody in the place is feelin' right  
So if you really wit it, then I'm wit it  
You know what it is girl, come and get it  
Round of applause girl, make it clap  
Put it in reverse and bring it back

Girl put that in reverse  
Bring it over here, look back better check those mirrors (check those mirror  
s, girl)  
I see you got it like a Mack truck  
Now can you back that up  
Can you back that up, back back that up  
Can you back that up, can you back that up, back back that up  
Yeah, can you back that up

Pick it up, drop it down, put in work with it  
And if you got it lemme see you go reverse with it  
Let's go  
I said, pick it up, drop it down, put in work with it  
And if you got it lemme see you go reverse with it

Girl put that in reverse  
Bring it over here, look back better check those mirrors

I see you got it like a Mack truck  
Now can you back that up  
Can you back that up, back back that up  
Can you back that up, can you back that up, back back that up  
Yeah, can you back that up

Can you back that up  
Back, back, back that up
