

## Paystreak

Kalmah

Throughout these years  
That I've been searching  
I have not found  
The golden mean

I've traveled so far  
I've turned all stones  
All that in vain

What is the reason?  
What is the cause?  
Why all the true things  
Seem to be false?

Just let the wind blow  
And let me walk  
So I shall follow  
The copper hawk

I'm lost - guide me  
Show me where to go  
I'm lost - guide me  
Show me where to go

I am so stuck  
Can't solve the riddle  
I'm so helpless  
Can't find my paystreak

I'm lost - guide me  
Show me where to go  
I'm lost - guide me  
Show me where to go

I am so stuck  
Can't solve the riddle  
I'm so helpless  
Can't find my paystreak
