

# The World Of Rage

Kalmah

Ask my friend  
Ask what you want  
Ask,ask,ask but  
Do not questionize

Hear my friend  
Hear what you want  
Listen,listen,listen  
The voice of heart

Lord's not dead  
Not dead yet  
We say and we pray

This is the declaration  
This is the call  
For you my friend to join  
To join our pride

Come along my friend,come  
And join the pride  
Escalate my friend,fight  
For the world of rage

Walk my friend  
Walk with me  
Walk,walk,walk but  
Do not traipse

Hail my friend  
Hail with ne  
Praise,praise,praise  
Do not abase

Lord is blind  
And so are we  
We're blind  
Why do we cry?

Together we build it  
We'll get it done  
We'll have the better world  
The world of rage

Kill,eat,sleep,repeat  
Kill,eat,sleep,repeat

Come along my friend,come  
And join the pride  
Escalate my friend,fight  
For the world of rage
