But if you try, ho, this shit gon' get greasy
You think I'm lyin', ask Jon Jon and Peezy

We got them hands that was mobbin' the meanest
Ask M.C. Hammer what that bank do
I went to Maxwell Park for my grade school
I was a Brookdale shaw before I made news
Ho, I would bless myself before I thank you

On my brother's deathbed, he said don't ever stop
I swear, from that day there, I never feared the dark
Word to Cocaine James, bitch, you a player or not?
I'm an uptown bitch, so I'm a player at heart

Okay, I don't stop, get it, get it, keep it litty, litty
Uptown, UPT, fuckin' with it, with it
Ayy, I just hustle, don't stop, I'm committed-mitted
Ayy, I just hustle nonstop, I'm committed-mitted
Don't stop, get it, get it (Ayy), keep it litty, litty (Ayy)
Uptown, UPT, fuckin' with it, with it
Ayy, I just hustle, don't stop, I'm committed-mitted
Ayy, I just hustle nonstop, I'm committed-mitted

My granny know, ayy, and my daddy know, ayy
'Til I die, UPT, that's my family, ho, ayy
I am loyal to the soil that I'm standin' on, ayy
R.I.P. Nate, [?], shit, my family gone, ayy
Remember me, my brother T, we had the block hot
Niggas thought they had the drop and we said ah-ah
From that day there, I stayed down from that top, top
I had a .38 before I had a Glock-Glock
Now, free J up out that cage
He told me, "Yaya, keep it lit, don't ever change"
I keep it solid, that is one thing that I am

On my mama, I'm a player 'til the grave, okay

On my brother's deathbed, he said don't ever stop
I swear, from that day there, I never feared the dark
Word to Cocaine James, bitch, you a player or not?
I'm an uptown bitch, so I'm a player at heart

Okay, I don't stop, get it, get it, keep it litty, litty
