

# Pressure

Kamaiyah

A bitch can't tell me shit about myself  
Cause I done made it out the bottom tryna find myself  
You gone trip and fall over tryna find my help cause I love myself ya I trust myself  
I don't need nobody else  
I don't need nobody else  
I don't need nobody's help through that pressure make you do whatever

I'm back in this bitch and back with a vengeance  
Ain't been this hard on shit in a minute  
Didn't come back to kick no shit and be friendly  
I came back to kill off all of y'all ingrates  
Couldn't put out shit and these hoes was sneak dissin  
The lord show something I don't show forgiveness  
Contracts had me bond and testing my limits  
Said fuck all that shit and I went independent  
They let them shackles off I got shit off and I ain't new to this shit lil bitch I been hard  
Acting fake as a bitch they all been fraud  
Fold up a little bit but I don't bend dog  
Cause I'm a top dog bitch  
And y'all can't top my shit  
On a bad bitch ima still pop my shit  
I heard a bitch yet that can top my hits  
So ima hit that booth and ima drop my hits

A bitch can't tell me shit about myself  
Cause I done made it out the bottom tryna find myself  
You gone trip and fall over tryna find my help cause I love myself ya I trust myself  
I don't need nobody else  
I don't need nobody else  
I don't need nobody's help through that pressure make you do whatever

Niggas mad at me cause I done leveled up. They dug they own graves and held they shelves up.  
Solid hard body I ain't scared of much.  
You can make the same moves but you scared as fuck  
I ain't scared of this shit  
I'm prepared for this shit  
From the windows to the walls I'm off the rell in this bitch  
Only got one shot and I ain't failing this shit Like a pink dolphin I'm rare in this bitch  
It's only one me nigga so I live like it  
Find another me that's unlikely  
I don't need hypin niggas ain't gotta be my fan I know my worth and I'm priceless  
Bitch if you can't check my shit  
The respect my shit  
Cause it's to many fans that's still rep my shit  
Every step I take every breathe I give  
I'm the muthafuckin queen of this west side shit

A bitch can't tell me shit about myself  
Cause I done made it out the bottom tryna find myself  
You gone trip and fall over tryna find my help cause I love myself ya I trust myself

I don't need nobody else  
I don't need nobody else  
I don't need nobody's help through that pressure make you do whatever
