

Whatever Whenever

Kamaiyah

I make all the shit these real niggas feel (they feel)
These bitches hyped but I know I been a bigger deal (bigger deal)
Rich but ima real nigga still (nigga still)
Just drink champagne with all my chicken meals (with all my chicken)
My wrist diamonds bigger than (the stones)
That lil crib that you got yo momma chillin in (room)
I had small one and got a bigger Benz (Bigger Benz)
I live the real life you bitches thinkin that y'all livin in (I live this)
I pull up drop tops all day (I swerve)
Only purples whips nigga in all shades (On the curve)
My niggas hard body in all ways (ya heard)
We pull up parlay in our hoods in broad day (ba ba boom)
I'm not the one you play with (no)
I'm from the west side nigga on some bay shit
(West coast)
These niggas know what my name is
I gotta say it I got all y'all bitches sayin it (the hoes)

Dancin through the pressure
Boss bitch so I'm livin like Griselda
I wear furs in any weather
Outfits drip I can put some shit together
I'm bout whatever bitch whenever
You know the click I'm bout whatever bitch whenever

I ain't never had to tap in (I don't)
And you'll get back hand (The Fonk)
For playin with my backend
In case some shit get to crackin (eww)
Reverse my whips for the dip I always back in (vroom)
In any hood I've been in (I been there)
It's always real ass niggas that I've been with (they still there)
That's cause these real niggas feel this (uh)
And if I fucked with it em back when I'm probably still is (I am)
I don't never fuck with new hoes (I don't)
To fuck with me they jump through hurdles and loop holes (the holes)
I want a new Rolex that's two toned (stones)
Mix the white with the purple nigga 2 stones (they cold)
I still chill in my city (in my city)
Shout out to Dez I probably got my guys with me (guys with me)
That's my back and eyes with me
If they by my side all my guys strapped with 9 Milli's (baba boom)

Dancin through the pressure
Boss bitch so I'm livin like Griselda
I wear furs in any weather
Outfits drip I can put some shit together
I'm bout whatever bitch whenever
You know the click I'm bout whatever bitch whenever
