

My love won't make nothing  
If we ain't, in the morning  
I love ya in the mornin  
Aye, don't the Lord  
It's something in the air  
When I get the best of you  
And you get the best of love  
'Cause love is best with no end date  
And I don't give a damn what friends say  
'Cause everything that my friends say  
Just another point of view  
That doesn't seem to point to you and I

I love  
And I trust  
What we have  
And I love  
How the troubles  
Don't last  
(Yeah)  
And I love how  
Even after my error  
There's no end to the era  
Though you've been through terror  
(Terror)  
Of an insecure  
And saved what we have  
From breaking in half  
And I know

My love won't make nothing  
If we ain't, in the morning  
I love ya in the mornin  
Aye, don't the Lord  
It's something in the air  
When I get the best of you  
And you get the best of love  
'Cause love is best with no end date  
And I don't give a damn what friends say  
'Cause everything that my friends say  
Just another point of view  
That doesn't really to point to you and I

Oh  
Love will find a way  
Is easy just say  
Oh I know it was hard  
To bear this weight  
Another one bites the dust  
Another chastising us  
Another one bites the tongue  
Another love fades away  
Another lost  
Another gone  
To the grave and we remain  
Another day we rise again  
Another reason

I believe in love  
And love with you  
'Twas there in all  
That we've been through

My love won't make nothing  
If we ain't, in the morning  
I love ya in the mornin  
Aye, don't the Lord  
It's something in the air  
When I get the best of you  
And you get the best of love  
'Cause love is best with no end date  
And I don't give a damn what friends say  
'Cause everything that my friends say  
Just another point of view  
That doesn't seem to point to you and I
