flings

KAMAUU

Don't force it like Obie Wan
Let it flow like you left the faucet on
Love these days is autopilot
Love these days is Autobahn
I was just sowing my royal oats
I transformed like an Autobot, heh

I feel like Genghis
Couldn't count 'em with a city full of fingers
My dangalang swangin' like Orangutans
I's banging like the Grove Street bangers
All the time
On my mind
All my dimes
On my line

All the flings like leaves in the wind
Tis a thing that I couldn't retire
It was easy to flee from them
It was me that I couldn't retire

Drop that thang on me
I'ma drop that bag on ya
Awl up in yo Patagonia's
(Aah)
Drop that thang on me
I'ma drop that bag on ya
Awl up in yo Padding
(Aah)

Ooh-ooh
Said I really like your body
(Oh, yes)
Ooh-ooh
Heard you really like my sound
(Shoobadeh Bah Boh)
Ooh-ooh
Maybe we can do the naughty
(Yabadabah Doe)
Ooh-ooh
But I won't stick around
(Gotta go)

Doesn't matter what the whole team
Or my folks think
I'ma dope fiend for it
Got a closet full of old flames
That I won't name
'Cause I've got no name for 'em

And all the flings like leaves in the wind
Tis a thing that I couldn't retire
It was easy to flee from them
It was me that I couldn't retire

Drop that thang on me
I'ma drop that bag on ya

Awl up in yo Patagonia's
(Aah)
Drop that thang on me
I'ma drop that bag on ya
Awl up in yo Padding
(Aah)

Ooh-ooh
Said I really like your body
(Oh, yes)
Ooh-ooh
Heard you really like my sound
(Shoobadeh Bah Boh)
Ooh-ooh
Maybe we can do the naughty
(Yabadabah Doe)
Ooh-ooh
But won't stick around
(Gotta go)

Drop that-Drop that thang (thang)
Drop that bag (bag)
Pata-Patagonia's (Patagonias)
Pata-aah
That - thang on me (thang)
Drop - bag (bag)
Pa-Pa-Pat- (Patagonias)
Aah

Lonely
I clapped all of them donkedonks 'cause I was lonely
I've got so many problems that you don't see
I just drown 'em out every time I get horny
"Baby drop that thang on me"
Uh, lonely
I clapped all of them donkedonks 'cause I was lonely
I've got so many problems that you don't see
I just drown 'em out every time I get horny
"Baby drop that thang
On me
On me"
