

My sista  
Why you sitting, sipping  
Acting like you scared to get it in?  
My brother  
Why you acting like a sucka?  
Get your back up off the wall  
Why you acting like a sucka?  
Tell your mind "Shut up, shut up, shut up, shut up"  
This is for your spirit, soul  
Let it go, grow, glow, glow, go  
My sista

Hey, hey  
That's one  
Decorating one  
That's one  
Decorate the sun  
In me  
Just so I can shine  
And I'm about to shine  
Oh yeah, watch me shine

Oh yeah, I'm so golden  
And my soul is s swollen  
And my pocket's empty  
But my folder's bulging  
I've got so much content  
I can't wait to show you  
Tell me what you won't do  
I know what you gon' do  
You gon' feel the music  
I hope that you use it  
Either way you're golden  
I know that you gonna win  
I know that I'm gonna win  
I know that we're winning  
I know that I'm grinning  
Imma tell you why

Hey, hey  
That's one  
Decorating one

I got a seas worth of waves  
I bounced like three out today  
It's only 3 in the A  
Even the eve was too late  
I'm on my nap when she wakes  
My day was before the day  
I do two days in a day  
I don't know if it's too smart  
I hardly sleep when it's dark  
My mind is teeming with thoughts  
I hear them sing to my heart  
How can I sleep with all of this gold?  
In me, waiting to behold
