KAMAUU

If you found some other dude  
What do I do?  
If he loves you truly  
How could I not love him too?  
If he improves you  
More than I used to, hey  
I don't want nothing but you  
Getting what you need  
Even if it ain't from me

'Cause I love you  
And what love is  
Never selfish  
And of service  
'Cause I love you  
And what love is  
Never selfish  
And on purpose

(Yeah)  
If I said I had to leave you  
What would you do?  
Would you still talk to me? (Yeah)  
I never want to be cruel to you  
I can tell you the truth  
Or what you need to hear  
If I had to choose  
Then what would you do?

Giving it up is not giving up  
Giving it up is not giving up  
If I had to break the news (News)  
Is it win or lose? (Lose)  
Giving it up is not giving up  
Giving it up is giving

'Cause I love you  
And what love is  
Never selfish  
And of service  
'Cause I love you  
And what love is  
Never selfish  
And on purpose

Won't lie, you got my heart so frozen  
I can live with that as long as you hold it  
And if ever you invite me to your wedding (Yeah, yeah)  
I won't ruin your special day  
(Yeah, yeah, ooh, woah, oh, oh)  
I wish you well  
I know you moved on and I want the best for ya

'Cause I love you  
And what love is  
Never selfish  
And of service

'Cause I love you ('Cause I love you)  
And what love is (And what love is)  
Never selfish (Never)  
And on purpose  
'Cause I love you ('Cause I love you)  
And what love is (And what love is)  
Never selfish (Never)  
And on purpose  
(I love you)  
(And what love is)  
(And on purpose)  
(Hey, ooh)  
(Hey, ooh, ooh)

It's good to be in love  
So in love
