KAMAUU

If you found some other dude  
What do I do?  
If he loves you truly  
How could I not love him too?  
If he improves you  
More than I used to, hey  
I don't want nothing but you  
Getting what you need  
Even if it ain't from me

'Cause I love you  
And what love is  
Never selfish  
And of service  
'Cause I love you  
And what love is  
Never selfish  
And on purpose

If I said I had to leave you  
What would you do?  
Would you still talk to me?  
I never want to be cruel to you  
I can tell you the truth  
Or what you need to hear  
If I had to choose  
Then what would you do?

Giving it up is not giving up  
Giving it up is not giving up  
If I had to break the news (News)  
Is it win or lose? (News)  
Giving it up is not giving up  
Giving it up is giving

'Cause I love you  
And what love is  
Never selfish  
And of service  
'Cause I love you  
And what love is  
Never selfish  
And on purpose

Yeah, yeah  
Ohh  
Yeah  
If I had to choose  
Uh, uh, yeah

'Cause I love you  
'Cause I love you ('Cause I love you)  
And what love is (And what love is)  
Never selfish (Never)  
And of service (Ooh)  
'Cause I love you ('Cause I love you)  
And what love is (And what love is)

Never selfish  
And on purpose

Hey, you  
Hey, you  
Hey, you  
Say, it's gonna be better  
It's over
