

# Farewell

Kamelot

Winter's close and the mountain high  
I'll start my journey now  
On this planet we call Earth we belong  
I want to know  
Why did God make me feel  
There is no more to be answered  
Maybe God cannot remedy  
Our souls if he tried  
I seek peace of mind at least  
And to know I did my best  
I will pray for those I have loved

I must take your farewell  
Carried by destiny  
Bound to obey

I must take your farewell  
Trails of discovery  
Lead me an ocean away

No one holds the only truth in his hand  
So who am I  
To defy even God  
In quest for a reason  
There's no time to waste I'm afraid

I must take your farewell  
Carried by destiny  
Bound to obey

I must take your farewell  
Trails of discovery  
Lead me an ocean away  
So far away

When the tide is high  
I won't dwell or wait no longer
