

Vampire Rock Star

KAMIJO

(Vampire Rock Star) Get up on your feet
(Vampire Rock Star) Look at the truth on TV
(Vampire Rock Star) Get up on your feet
(Vampire Rock Star) Listen to what I say

Oh, let me tell you everything I know
(yeah, yeah, yeah, yeah)
No, I will never tell you dirty lies
(Vampire Rock star)

(Vampire Rock Star) Get up on your feet
(Vampire Rock Star) Look at the truth on TV
(Vampire Rock Star) Get up on your feet
(Vampire Rock Star) Listen to what I say

Hush, keep it secret, it's just you and me
(yeah, yeah, yeah, yeah)
Yeah, he is me and I'm him... mystery?

(Vampire Rock Star)
All dreams in my mind, if I give them all out
(Vampire Rock Star)
People want to swallow them
(Vampire Rock Star)
Nothing's going wrong, just get dirtier...
(Vampire Rock Star)

I know where to touch and turn you on
Lie down and I lip my fingers in your dress
And then you will shiver with the joy and cry for more
But I only kiss you on the neck for now
Just close your eyes, feeling my lips
You'll be like me

(Vampire Rock Star)
All dreams in my mind, if I give them all out
(Vampire Rock Star)
People want to swallow them
(Vampire Rock Star)
Nothing's going wrong, just get dirtier...
(Vampire Rock Star)
