Yes, I wanna fly away with you

fly away with you, tonight

Yes, I wanna fly away with you
Yes, I wanna fly away with you

fly away with you, tonight

Why do people tell lies?
trying to roots for lifes
our love will need to pick up our life
and I move it arise I'm down then hypnotizer eyes, well then

Dem
control your mind
control your life
control your soul
dem bagalize our love

yes I need you girl, yeah
don't care about this world tonight
'cuz I need you

Yes, I wanna fly away with you

girl, I wanna fly away with you
fly away with you, tonight

Yes, I wanna fly away with you
Yes, I wanna fly away with you
girl, I wanna fly away with you
fly away with you, tonight

Give me the reason to believe I can give it
the strength to practice in chance
I see no change, yeah

Give me the faith to trust I love caring
give me the falls so enjoy the pain
life seems so strange, yeah

You don't know how you make me feel, I wanna fly
girl me sitting inna the room in tune and girl you make my high
I'm feeling like thrown outta space
you bring me to my sober in flames
dema wonderfull

Girl, don't listen them lies
just believe looking my eyes
my kiss, my touch
dem my love has no price
these people spreading this in the space
so take my hand and fly away

Yes, I wanna fly away with you

Yes, I wanna fly away with you
girl I wanna fly away with you
fly away with you, tonight
