

Look at my behaviour  
I can't help myself  
One feet before the other  
I hope you didn't notice

I'm fourteen days ahead of you  
In my head you're already mine  
I hope I don't seem  
Like the desperat kind

Sometimes I, melt I,  
But I don't know where to put myself but I'm  
Not alone, cause right outside  
There's two people just falling in love (2x)

I see you're looking,  
But are you looking my way?  
I'd like to think so  
I can only say

Sometimes I, melt I,  
But I don't know where to put myself but I'm  
Not alone, cause right outside  
There's two people just falling in love (2x)

Some other times, some other place  
Well maybe I'll show you my real face

Sometimes I, melt I,  
But I don't know where to put myself but I'm  
Not alone, cause right outside  
There's two people just falling in love (2x)

Just falling in love  
Just falling in love  
Just falling in loooove
