

Real Ting

Kamil Bednarek

Kamil and Kelly, this one yah hard
Hard urban pochet is on the war path
Tell them, persecution only mek we tougher
For long we won't suffer

The heat is on, still nuff
Nuh want fi see, we eat bread
Tell them, life down in a the jungle
The oppressor them dread
Well them naah go see mi run
Them naah go see mi weak
Walking, begging looking dirty
Naked, crazy on the street
Tougher and we strive through adversity
My philosophy
Nuh bow to no man pan your knee
Nuh let them push, push
Push you under
Kamil stand your ground

Real ting never fall down
Never fall down
Real ting never fall down
Never fall down
Real ting never fall down
Real ting never fall down
Real ting never fall down
Never fall down
Real never fall down

Why does the truth scare you?
Look at the world feasting on lies
Haffi be real, whatever you do
I wanna see hope instead of your ice
Victory over yourself has the right for celebration
Never let your soul be the source of occupation
You are the root that disturbs your own salvation
We are inna pursuit of good vibrations

Real ting never fall down
Never fall down
Real ting never fall down
Never fall down
Real ting never fall down
Real ting never fall down
Real ting never fall down
Never fall down
Real never fall down

Fighting the struggle
Looking up in the nozzle
Stumble whole heap a time
But never fail
Born in the fire
So it's an everyday thing
What ever them dish out we can take
Stealing my energy

Breaking my will
Leave me in the darkness
But what dont kill you make you stronger

Real ting never fall down
Never fall down
Real ting never fall down
Never fall down
Real ting never fall down
Real ting never fall down
Real ting never fall down
Never fall down
Real never fall down

I am like the Pyramid Giza
The Great China Wall
Firm like the Rock of Gibraltar
Conquer everything
With the first swing full a discipline
Crown mi the king, hear mi sing
Swimming against the current
Walking against the wind
It's the best thing
No time for resting
Enemy approach and this is gonna be interesting
When them up against the real ting
