

Think About Tomorrow

Kamil Bednarek

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows
open up your eyes

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows

Checkin'!
left, right, left right,
dem solja bwoys keep marching
dema come with dem guns wonder where dema go
left, right, left, right
be open minded
dema politricks create a blind

Dema reap out your soul
watch out they planed it a long time ago
youth bwoys dem dream fi left right choose
solja life as they grow
but they dont know it's a mission to keep you linger like a graveyard crow

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows
open up your eyes

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows

Checkin'!
one two, one two
dem solja bwoys keep fighting
tomorrow dem still gon be fighting

Push on yah like thunder lighting
me and you - the real
and my truth is so frightening,
man keeps killing man
survival only in the Almighty One
Jah gives peace, love and harmony like no other one,
this song is a positive revival of my Father's plan

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows
open up your eyes

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows
open up your eyes

Wake up, wake up
don't waste your time

stop talking this shit right now, it's a crime!
tick-tock, tick-tock
don't wait for your sign
love is a gift of life, yeah

Dema stop and look, you won't find happiness on facebook, yeah
oh uuwoww, ok

Think about tomorrow
dem we haffi leave fighting for another day
forget about your sorrows
open up your eyes

Think about tomorrow
dem we haffi leave fighting for another day, yeah
think about tomorrow
tomorrow is another day
think about tomorrow
think about tomorrow, yeah
