

Up & Here

Kamil Bednarek

Up and here
I feel the music in the atmosphere
Good vibes protection
Up and here
Right now, right here
Up and here
I feel the music in the atmosphere
Good vibes protection
Up and here
Right now, right here

Night like this
Yes, me see your face
On the floor your movin like a queen
Night like this
I wanna feel you so close inity
Night like this
Yes, me see your face
On the floor your movin like a queen
Oh, everything's right all around

Want you come with me?

Resoteric, Fyah Keeper
Yeah, you know how I roll
Music crawl into my soul
And have me loosing control
I don't worry about my troubles

Cause the music's in my ear
I'll be rolling with the kick
And I'll be poppin with the snare
Like yo reggae
People come and listen what we say
Me and Kamil Bednarek
Have some music you should play
It don't matter how you dance
We can do it anyway
You know, we're feeling nice everyday

Give me the music
Give me the rhythm
Give me the vibes
Give me the beat
Give me just a little something
So that I can move my feet
I'll be flowing
Showing love to everybody that I meet
Give me the vibes
And I'm feeling complete
Jah know

Up and here
I feel the music in the atmosphere
Good vibes protection
Up and here
Right now, right here
Up and here
I feel the music in the atmosphere
Good vibes protection
Up and here
Right now, right here

Up and here
I feel the music in the atmosphere
Good vibes protection
Up and here
